SPIEGELAU – PROFESSIONAL GLASS CULTURE

Five hundred years of expertise in glassware

Having more than five centuries' experience in the production of high-quality glassware is an impressive advantage, yet it is only the foundation of our daily work at Spiegelau. Providing our customers with a broad range of premium glasses requires more than production skills and product quality in the traditional sense. We optimize every single glass product to meet the highest standards in terms of functionality and aesthetics and we employ cutting-edge industrial processes to guarantee a high level of durability, instant availability, and attractive pricing. With our high-quality standards and strict controls we ensure the satisfaction of our customers – at the restaurant and at home.

Germany

When it comes to top-quality glassware, customers in the international hospitality industry are the most demanding. We at Spiegelau combine our experience and spirit for innovation with our market knowledge in an unparalleled manner to meet customers' varied demands like no other supplier in the market.

„Enjoyment has many forms, but the demand for a really good glass remains the same. That's why we've combined **functionality** with timeless elegance. Those are **qualities that last**, regardless of short-term trends.“

Stephan Hinz

International glass trends developed in Germany

Thriving on emotions and new impulses brought on by new trends, the hospitality industry offers space to indulge in culinary experimentation – enhanced by using our products. Their functional forms ensure that aromas, colors and tastes of the beverages are emphasized.

In addition, our latest innovations reflect international trends in the world of beverages. This is only one reason why we have surpassed our role as producer by far.

Leveraging the competitive edge we have gained from our proximity to the high-end catering industry, we translate market trends into new collections.

Trailblazer and key to success

While we are passionate about quality, design, and innovation, we understand that our partners ultimately aim for business success through customer satisfaction. The hospitality industry and the retail sector need a supplier that delivers an unequaled product portfolio while also offering exceptional logistics and delivery services, all at competitive prices.

At Spiegelau we have the expertise, the ideas, and the industrial power to meet all these demands – every day anew.

Spiegelau – Professional Glass Culture.

WHAT MAKES A PERFECT CRYSTAL GLASS?

Glass composition

The degree to which a glass can offer all of these benefits depends to a great extent on the type of glass used and the characteristics of the ingredients.

Standard Glass consist of sand, lime (an alkaline earth oxide), Sodium or Potassium oxides. Spiegelau Crystal glass has the same ingredients plus a certain percentage of metaloxide. These ingredients will be melted at approx. 1500°C and in later steps formed to the desired product.

Spiegelau glasses are all made of lead free Crystal glass. The highest quality of the Crystal ingredients make the Spiegelau products more durable, dishwasher safe, break resistant and also more brilliant than other glasses made with cheaper glass compositions.

THE CLASS OF GLASS

Glass is a fascinating material. Not only does it fulfil a practical purpose but there are so many other ways in which glass enriches our life. It is brilliant, it reflects and refracts light and has a satisfying sound when glasses are clinked.

Still further, specific glass shapes and a high quality glass surface, through the use of pure raw materials, enhance the aromas and taste of beverages.

AUTHENTIS

IS THERE A UNIVERSAL WINE GLASS ?

RVF tested a dozen commercial wine glasses, from major producers, in search of a tasting glass capable of revealing the qualities of any wine with the same precision.

Authentis 02 The most versatile of all

Manufactured by Spiegelau, this crystal glass has great brilliance and is highly shock resistant due to its flexibility.

Slightly heavy to hold, it remains, non-the-less, an ideal choice for professionals and private consumers - especially due to its guaranteed of 1500 dishwasher cycles without breakage.

This model is the big brother of the slightly smaller Expert Tasting glass, also from Spiegelau.

At tastings, this glass performs well with virtually all wines; though some sparkling wines lose some finesse of the bubbles. As for the whites; it was with a Burgundian Chardonnay where the glass won many votes, as it presented the wine with great cleanness, both on the nose and the palate. Its size is an asset for reds such as the North Rhone, placing fruit in the front not the alcohol.

CARE AND USE

IMPORTANT HINTS FOR GLASS USE

Spiegelau stemware is being used in many famous restaurants and hotels and occasionally international wine tastings. In order to guarantee maximum pleasure when tasting wine, it is important to consider the following professional hints, which we hope you will find of interest.

WHAT DO WE MEAN BY „FUNCTIONAL“ GLASSES?

Spiegelau wine glasses are specially designed in collaboration with some of the world's most respected sommeliers as well as owners of some of the world's finest restaurants. In all aspects – shape, height, diameter of the bowl, etc. – Spiegelau glasses are crafted to deliver wine at its best for the greatest possible enjoyment. Each glass's shape and size has been created with extreme attention to detail to fully enhance the character and bouquet of the wine.

FOR A PERFECT RESULT

1. Wash under warm water, detergent is not necessary

2. Place on linen to dry for the time being

3. For extra shine, steam over boiling water

4. To polish use 2 microfibre polishing cloths

5. Hold glass by base and polish

6. Use left hand to cradle the bowl and polish with your right hand

7. **NEVER** twist the base and bowl

8. Perfect result

BEVERAGES AND GLASSES

Rules when handling connoisseur glasses:

1. Filling the glass

Fill the glass only to the widest diameter of its bowl. This will ensure maximum development of the wine's bouquet, and also provide the most elegant table setting.

2. Holding the glass

The appropriately filled glass should always be held by the stem rather than the bowl, as heat from the hand could raise the wine's temperature above its optimum and negatively influence the bouquet of the wine.

3. Swirling the glass

Carefully swirling the glass allows oxygen into the wine by increasing its surface area and helps release the wine's rich, mature aroma.

4. Why and how to decant wines

To decant wine means to transfer it from its bottle to a decanter or carafe before drinking. During storage or aging, wine can develop a solid deposit or sediment at the bottom of the bottle. Decanting is an easy means of separating the sediment from the wine. Decanting also helps the wine breathe, as the greater surface diameter of the decanter lets more oxygen

reach the wine than the bottle's does. Red wines should be decanted well before serving and allowed to rest at room temperature for up to one hour to allow the wine to fully develop its bouquet.

5. Wine temperature

Before decanting and/or serving wine, please store it at appropriate temperature (red wines at 59-63 degrees F, 15°-17° C, white wines at 50-54 degrees F, 10°-12° C). The proper serving temperature enhances the quality of the wine by allowing it to fully develop its characteristic aromas and flavors.

6. Washing the glass

Glasses should always be washed carefully, preferably by hand. Because of our Platinum Glass all Spiegelau glasses are 100% dishwasher safe, but they are best cared for by avoiding harsh detergents and choosing a cool, short dishwashing cycle. To avoid detergent residue, rinse glasses thoroughly in clean water. When drying the bowl of the glass, avoid holding the glass by its stem or base as this can, in extreme cases, cause the stem to break at its narrowest point.

2.12. In case of Authorized Packaging Changes, Customer shall ensure that such Products and the packaging used by Customer (the "Customer Packaging") comply with all applicable laws, rules, and regulations, including but not limited to those laws, rules, and regulations that concern such Products' and Customer Packaging's labelling, marking, tagging, waste management, boxing, marketing, storage, distribution, handling, cleaning and sale, and Customer shall indemnify, defend, and hold harmless BGW and its affiliates for any violations or alleged violations thereof. 5. Terms of Payment.

5.1. The payment terms are regulated in the respective applicable Price Books and/or Payment & Delivery Terms. BGW reserves the right upon notice to the Customer in its own discretion (a) to change the payment terms at any time, with such changes applying to future Orders placed, and/or (b) to suspend or refuse fulfillment of any contract with Customer, if in the opinion of BGW, this is necessary due to Customer's financial situation or payment history.

5.2. Where no special payment terms apply for certain delivery regions or certain Customers pursuant to the applicable Price Books or Payment & Delivery Terms, BGW's invoices are payable as follows:

(a) in case of payment by means of direct debit, less discount of 3%; (b) within thirty (30) calendar days as of invoice date, without any deduction.

5.3. BGW may ask for a payment confirmation to be issued by a bank accepted by BGW. Payment will be deemed effected as soon as BGW is able to freely dispose of the same at its registered office.

5.4. An eventually granted cash discount may only be deducted, if any and all invoices due have been fully settled by Customer.

5.5. Each delivery by instalment shall be deemed an independent transaction for billing and payment purposes.

5.6. If payments are effected in any freely convertible currency other than the invoicing currency, Customer shall bear the exchange rate risk.

5.7. Any bank charges in connection with invoice payments shall be borne by Customer.

5.8. Any claims, counterclaims or compensation claims of Customer shall not entitle Customer to extend the granted payment period, nor shall any such claims or counterclaims be used to offset or otherwise be used to justify the non-payment of any amounts owed to BGW by Customer. Notwithstanding the above, offsetting is possible if the claim, counterclaim or claim for remuneration is undisputed or has been recognized by declaratory judgement.

5.9. From the date of default, default interest of 9% points above the base interest rate of the German Central Bank per annum will be charged.

5.10. BGW is not obliged to accept checks or bills of exchange; they will only be credited as payment subject to them actually being honoured to the value to which they are at disposal. All costs incurred in connection with acceptance of bills of exchange or checks, in particular discounting charges and interest, shall be borne by the Customer.

5.11. If (a) Customer defaults in payment under the T&C and has not remedied that failure within five (5) calendar days; OR (b) all or substantially all of the assets of Customer are sold or otherwise transferred; OR (c) there is a change in control with respect to Customer; OR (d) the legal form of Customer is changed; OR (e) in the reasonable opinion of BGW, Customer's financial situation changes or deteriorates materially (e.g. a bill of exchange or cheque provided by Customer is not honoured); OR (f) at any time BGW considers (acting reasonably) that Customer is a credit risk, THEN:

(i) Customer's account will be put on immediate and automatic credit hold, and BGW will not accept any new Orders, and BGW may refrain from fulfilling/processing any and all existing or future Orders of the Customer; (ii) all outstanding accounts receivable, also under bills of exchange, will become due for immediate payment irrespective of their due date; and (iii) BGW shall be entitled to suspend (until the matter has been resolved or the outstanding amount including interest has been credited to BGW's account), terminate or cancel all current contracts and/or Orders; and (iv) BGW shall be entitled to stop all deliveries to Customer, to request damages from Customer in lieu of performance, require pre-payment or proper security before making any delivery, or effect delivery only against full cash amount payable on delivery (if Customer has already advanced any payments in relation to terminated or cancelled Orders, BGW will refund those amounts or allocate/offset them accordingly); and (v) BGW will retain title to Products that have not been paid for as described under Clause 12. and BGW may consequently demand the return and collect any such Products that are in the possession, custody or control of the Customer.

6. Terms of Delivery and Passing of Risk.

6.1. The delivery terms applicable to Customer are regulated in the respective applicable Price Books and/or Payment & Delivery Terms. BGW reserves the right upon notice to the Customer in its own discretion to change the delivery terms at any time, with such changes applying to future Orders placed.

6.2. Unless otherwise stated in the respective applicable Price Books or Payment & Delivery Terms or agreed in writing by BGW, all deliveries will be effected EXW BGW Warehouse, Germany, per address RSN Logistik GmbH, Weiden i.d. Opf., Germany.

6.3. In case the respective applicable Price Books or Payment & Delivery Terms offer accordingly and if so requested by Customer and confirmed in writing by BGW, Products can be shipped to a different destination at Customer's cost and sole risk. Save when otherwise agreed, BGW is entitled to

determine the kind of shipment (in particular the forwarding agency, shipment route, packaging).

6.4. If Products are shipped to a different destination upon Customer's request and BGW's written confirmation, the risk shall pass to Customer on the Products' handover to the person designated to carry out shipment. Customer shall assume all risk to Products during transportation thereof, BGW shall not be obligated to replace or credit Customer for Products that are stolen, lost, broken, damaged, or otherwise altered during or as a result of their transportation, and Customer shall be solely responsible for filing any and all claims for loss or damage with the responsible entity or entities.

6.5. BGW shall insure the Products only if specifically, so instructed by Customer in writing and on behalf of Customer's account and expense.

6.6. If Products are delivered on Euro pallets, Customer shall ensure the documentation required to clear Euro pallets through pallet accounts and to submit such documentation to BGW on request.

6.7. Deliveries will be made by BGW according to its operational capabilities. Communicated lead-times refer to EXW BGW Warehouse dates and are estimates only and are not binding; lead-times for Special Orders and Limited Editions will be communicated to Customer on a case-by-case basis refer to EXW BGW Warehouse dates and are estimates only and are not binding. BGW shall not be liable for failure to meet these non-binding lead-times. Claims for damages in this respect due to non-performance or late performance are excluded, and the Customer waives all claims against BGW and its affiliates for damages and other liabilities arising out of or due to actual or alleged non-performance or late performance by BGW.

6.8. BGW will observe commercially reasonable efforts in its observance of the T&C, which observance shall be subject to unforeseeable events or events not otherwise contemplated by the T&C. BGW will not be responsible for any delay or failure to perform its obligations under the T&C or otherwise, which arises out of or is due to unforeseeable events or events independent of the intention of the parties, such as events of force majeure ("**Force Majeure Event**"), including, by way of example and not of limitation, all events of pandemics, epidemics, war, terrorist actions, interventions, instructions and prohibitions of official authorities, delays in transport and customs clearance, transport damage, inclement weather, lack of energy, financial crisis, labour conflicts as well as delays in delivery on the part of suppliers for any reasons. Delivery times shall be extended accordingly reasonably in the event of Force Majeure, whereby BGW may also cancel the delivery in whole or in part after the expiry of three (3) months after the occurrence of the Force Majeure Event, unless there is merely a temporary impediment to performance. The applicable payment terms shall remain unaffected. In the event of a full or partial cancellation, BGW will inform Customer immediately thereof, and eventual payments made by Customer in advance shall be reimbursed in the corresponding proportion or shall be offset against outstanding receivables.

6.9. Retail Products are shipped in brown master packs (order units). The purpose of the master pack is to protect the inner packaging from scratching and other damages only. Customer acknowledges that a master pack is not designed to be used as a re-shippable outer carton and may not be used as such. In spite of the foregoing, a master pack is used for reshipping of Products, the shipping of those Products shall be at Customer's own risk and BGW shall have no liability to the Customer in connection with any damage to those Products.

6.10. The cost of any requested or necessary special packaging and/or the use of special packaging materials for the Products are at Customer's sole expense even if these costs were not explicitly listed in the Price Books or the quotation. Customized packaging shall not be offered or provided to Customer unless Customer and BGW enter into a separate agreement duly signed by the parties in relation to such customized packaging.

6.11. Regarding Special Orders, BGW reserves the right to supply the quantity deviations of +/-5% of the quantity ordered (the "**Permitted Deviation**"), which is customary within the industry. Provided that BGW's fulfillment of any Special Order is within the Permitted Deviation, the quantity actually delivered shall be paid by Customer in full.

6.12. If, pursuant to an Order Confirmation, Products are to be collected at a BGW warehouse, BGW will inform Customer about twenty (20) business days prior of the respective delivery/collection date. Partial deliveries of an Order (i.e. deliveries by instalments) are permitted, provided this is reasonable for the Customer. Customer shall pick-up all available and prepared Products, including reasonable partial deliveries of an Order, within ten (10) business days of the notified delivery date. If Customer informs BGW that Customer will not collect the respective delivery or if Customer fails to pick such delivery within this ten (10) business days window, BGW shall be entitled to either (a) partially or in total cancel the respective Order or (b) to store the Products at Customer's cost and risk, in which case the delivery to Customer shall be deemed to have been fulfilled and will be invoiced, and to charge storage costs for such Products at the customary local rate. In the event of cancellation, BGW will inform the Customer thereof without delay, and refund any payments already made for the cancelled Products or offset them against outstanding claims.

6.13. If Products are to be shipped to a different destination according to the respective Order Confirmation (see Clauses 6.3 and 6.4) and are ready for shipment, but cannot be shipped through no fault of BGW, or if Customer does not want such Products to be shipped, BGW is entitled at its own discretion to either (a) partially or in total cancel the respective Order, or (b) to store the Products at Customer's cost and risk, and BGW is entitled to charge storage costs for such Products at the customary local rate. In the event of cancellation, BGW will inform the Customer thereof without delay, and refund any payments already made for the cancelled Products or offset them against outstanding claims.

6.14. Purchase for Export: If Customer purchases Products for export, Customer shall assume sole responsibility for proper customs clearance. Customer shall provide proof, in appropriate form, of customs clearance upon BGW's request.

7. Partial Deliveries.

Partial deliveries are permissible insofar as this is reasonable for the Customer and may be invoiced. If BGW delivers Products in instalments and if such an instalment contains Defective Products as defined in Clause 8, this shall not entitle the Customer to withdraw from the entire purchase contract formed by the T&C.

8. Notice of Defects, Warranty.

8.1. As regards inspection and notification requirements, Sec. 377 of the German Commercial Code (Handelsgesetzbuch - HGB) shall apply, provided that obvious defects shall be notified within **ten (10) business days** as of delivery of the Products and in any event prior to their use or re-sale. If there is no such notification of BGW, the Products shall be deemed accepted by Customer, unless the defect was not discernible in the examination. Latent defects shall be notified immediately after their discovery; otherwise, the Products

will be deemed accepted by Customer as well in view of these defects.

8.2. Any defects or non-compliance with the contract shall be notified to BGW in writing, including a detailed description and photos of the alleged defects or the non-compliance. BGW will provide the remedy described in Clause 8.8 if there are any defects in a Product or non-compliance with the contract (including partial deliveries), which are recognisable upon proper inspection of the Product at the time of delivery and which are notified in writing by Customer to BGW within ten (10) business days from the date of delivery of the Product or in the case of latent defects immediately after they are recognized (the "**Defective Product**"); otherwise the Products shall be deemed accepted by Customer. Complaints under this Clause 8. are subject to a review and approval process.

8.3. Customer must keep any Defective Products in its possession until BGW has inspected the Defective Products and either approved or rejected the Customer's warranty claim under this Clause 8. The inspection can be done either by photos, by on-site inspection or by collecting the Defective Products. Warranty claims under this Clause 8. shall be notified to BGW using the contact information: Bayerische Glaswerke GmbH, Zacharias-Frank-Straße 7, 92660 Neustadt an der Waldnaab, Germany, info@nachtmann.com.

8.4. Any defects or non-compliance with the contract caused as result of a Force Majeure Event shall be excluded from BGW's warranty.

8.5. No warranty is provided by BGW for mechanical damages to the surface of a Product.

8.6. Customer shall assume all risk for the Products during transportation thereof and BGW shall not be obligated to replace or credit Customer for Products that are stolen, lost, broken, damaged, or otherwise altered during or as a result of their transportation; the Customer shall assert any claims in this respect against the responsible carrier.

8.7. Customer acknowledges that minor deviations may occur between Products from the same series for technical reasons and because of the materials used in the course of the production of glass products, in particular with respect to size, weight, ovality, or the vertical axis according to the relevant technical drawings, which cannot be influenced by BGW. Handmade Products or handmade Product parts may be subject to sample and size deviations. Therefore, all such deviations between Products, in particular compared to drawings or earlier deliveries of the same Product, do not constitute any defect. Customer further acknowledges that due to the handcrafting involved in the making of some decanters and glassware, tiny bubbles, slight imperfections, surface variations, and small tolerances in the size and weight of each piece, are a feature and acceptable part of the process and do not constitute any defect.

8.8. In case of a valid claim in respect of any Defective Product, and subject to Clauses 8.6, 8.7, 8.11, 8.14 and 8.15, BGW will, at its own discretion, either arrange delivery of a replacement Product (subject to its operational capabilities) or issue a credit note for the price paid by Customer to BGW for the Defective Product, but not both.

8.9. If BGW chooses to arrange delivery of a replacement Product (or otherwise requires the Customer to return the Defective Product), Customer is required to return the Defective Product at Customer's cost and risk to the warehouse determined by BGW.

8.10. Any and all other warranty claims of Customer shall be excluded.

8.11. The rights described in Clause 8.8 do not apply and BGW will not replace any Products broken or damaged if master packs are used for shipping (see Clause 6.9).

8.12. Damaged packaging is not replaceable or refundable.

8.13. If BGW provides a substitute delivery, BGW shall bear the costs for the inspection and the replacement delivery, including the transport, labour and material costs for the replacement delivery, provided that a defect actually exists. In case Customer's demand for remedy of a defect/non-compliance proves to be unjustified, BGW is entitled to demand from the Customer the reimbursement of all cost incurred by the unjustified claim.

8.14. The rights described in Clause 8.8 do not apply if a defect/non-compliance arises because Customer fails to observe BGW's or a manufacturer's Product or Product packaging instructions, recommendations or guidelines, in particular instructions, recommendations and guidelines for processing, handling, care, cleaning and use of the Product, or by failing to observe generally accepted practices relating to the use of the Product.

8.15. Decorations of any kind not been made or commissioned by BGW, such as engravings, silk-screenings etc., are the sole responsibility and risk of Customer. BGW will not be responsible and shall be excluded from any warranty whatsoever, especially but not limited to that heavy metals or other dangerous materials are applied to the Products, or if the material used is hazardous to health, or not water-resistant or dishwasher-proof. Customer shall indemnify and hold BGW and its affiliates harmless from and against any and all claims, actions, losses, damages, demands, injuries and costs (including reasonable attorneys' fees) arising out of any claim made against BGW for decorations of any kind whatsoever (e.g. engraving, screen printing, etc.) applied to the Products by the Customer or by third parties not authorised by BGW.

9. Limitations of Liability.

9.1. In the event of damage, BGW's liability - irrespective of the legal grounds - shall be limited in each case in accordance with this Clause 9.

9.2. Unless expressly provided for in an individual contract with Customer or in the T&C, BGW does not assume any warranties or guarantees beyond those required by law with regard to the nature, merchantability, description, quality or suitability of the Products or the fitness of the Products for a particular purpose or with regard to design, assembly, installation, materials or workmanship of the Products.

9.3. BGW's maximum aggregate liability under or in connection with the T&C or any provision of the T&C, whether in contract, tort (including negligence) or otherwise, shall be limited for each Order to the amount paid by the Customer for that Order.

9.4. BGW shall not be liable for damage caused if and to the extent that instructions, recommendations or specifications relating to the processing, handling, use, care or cleaning of the Products or the Product packaging or generally recognised practices relating to the use of the Product are not observed by the Customer or its customers or by third parties, unless the Customer proves that the damage would have occurred even if the instructions, recommendations or specifications relating to the Product or the Product packaging had been observed.

9.5. BGW shall not be liable or responsible for any damages and Customer shall indemnify and hold BGW harmless from any claims or actions brought against BGW or any of its affiliates and from all losses, damages, claims, injuries, costs and expenses (including reasonable attorneys' fees) arising out of or related to Customer's purchase, handling, storage, packaging, labelling, distribution, advertising, use or cleaning of the Products.

9.6. The Customer shall not be entitled to and hereby releases BGW and its affiliates, officers, employees and agents from any further claims, including but not limited to (a) compensation payments, and (b) compensation for in-

direct or consequential or punitive damages of any kind, which the Customer or others may suffer, including but not limited to damages (i) for loss of profits or business interruption, (ii) for loss of goodwill, (iii) for loss of savings or opportunity, whether in contract, tort (including negligence) or otherwise.

9.7. BGW shall only be liable for damages to the extent caused by gross negligence or wilful misconduct. BGW shall not be liable for slight negligence.

9.8. All limitations of liability in the T&C (including Clause 2.14) shall not apply:

- a) to any damage resulting from injury to life, limb or health; or
- b) in the event of damage resulting from a wilful or grossly negligent breach of duty; or
- c) in the event of damages arising from a breach of a material contractual obligation or an obligation that is essential for the proper fulfilment of the contract and on which customers may regularly rely (so-called *cardinal obligations*); in these cases, however, BGW's liability is limited to the typical, foreseeable damage;
- d) insofar as mandatory statutory provisions, e.g. the German Product Liability Act, conflict with the respective matter.

9.9. Clause 9.8 shall not apply to damages that are based solely on a breach of duty by the Customer, in particular in the cases of Clauses 9.4 and 9.5.

9.10. BGW's liability is otherwise excluded. The costs of asserting a claim shall be borne by the Customer.

10. Returns.

Except for any Defective Products that are returned in accordance with Clause 8., all other returns are subject to BGW's express prior written approval and the following conditions: (a) Special Orders, Limited Editions, Products that were un- or re-packed from the original boxes by Customer, 2 Glasses 1 Bottle Products, Products that have Authorized Packaging Changes or Products that are engraved, decorated or are personalized in any other way cannot be returned and will not be reimbursed; (b) returned Products must be part of the current BGW Price Books and in unused, mint, resalable condition, packed in the original undamaged boxes and in the original sealed master packs; (c) returns must be shipped within thirty (30) calendar days after having received BGW's prior written approval and must be delivered to the warehouse determined by BGW, and freight, risk and costs are at Customer's expense and responsibility; (d) for Products returned in accordance with this Clause 10, the EXW BGW Warehouse, Germany, Product net price paid by the Customer for the respective Product will be credited minus a 15% restocking and handling fee. Any returns not in conformity with the foregoing may be refused by BGW and will not be reimbursed.

11. Intellectual Property Rights.

11.1. BGW or its licensors hold any and all rights, titles, all goodwill and all other claims and interests of any nature whatsoever, including any and all intellectual property rights such as copyrights, trademark rights, labelling rights, trade secrets, design patent rights, patent rights and/or design rights, relating to the Products, the Product designs, the Product packaging, the glassware samples, the glassware sample designs, the designs of the glassware and of the prototypes, and as well of any modifications, further developments and adjustments thereof, including the respective drawings, tools, moulds, casting forms and Product packaging.

11.2. Any and all Products, samples, drawings and packaging, including the manufacturing drawings, the Product packaging, Product and packaging samples and prototypes, provided by BGW to the Customer are protected by intellectual property rights, namely copyright, trademark rights, labelling rights, trade secret, design patent rights, patent rights and/or design rights, which are held exclusively by BGW or by BGW's relevant licensor.

11.3. Any and all tools, moulds, drawings, plans and prototypes provided by BGW to the Customer are the sole property of BGW, including but not limited to any and all intellectual property, even if Customer bears the costs of their acquisition in part or in full, and will not be handed over or refunded at the end of any kind of cooperation or contract.

11.4. In order to identify the Products, the Customer is entitled to use the Brands and/or Trademarks affixed to the unaltered and originally packaged Products or their packaging. However, by doing so, the Customer does not acquire any rights or licenses to the Brands, Trademarks or other intellectual property of BGW or its licensors. The Customer undertakes to refrain from any other use of the Brands or Trademarks, and any other proprietary material of BGW or of BGW's relevant licensors.

11.5. Any use of the Brands, the Trademarks, or of any other intellectual property of BGW or of BGW's licensors, as well as photos or videos thereof, in publications, electronic (internet) advertising, social media, or printed matter is only permitted upon prior written authorization of BGW. In addition, Customer undertakes not to use any marks or signs that are likely to be confused with those of BGW or of BGW's licensors, or with "Spiegelau" or "Nachtmann" or "Riedel" or similar marks or signs or to have them protected in whatever form, in any jurisdiction.

11.6. Any and all materials and related documents provided by BGW to the Customer, together with all right, title and interest in and to the intellectual property, including but not limited to the Trademarks, the Brands, the trade dress or other proprietary material of BGW and its licensors, including goodwill and copyright, in and to or relating to the Trademarks, Brands, trade dress and Products incorporated therein or associated therewith, shall remain the sole and exclusive property of BGW and/or its licensors.

11.7. Any and all materials provided by BGW to the Customer such as catalogues, brochures, packaging, illustrations, photos, videos, and the like as well as samples and designs always remain the intellectual property of BGW or BGW's licensors, protected by the relevant statutory provisions regarding reproduction, imitation, competition, etc. Customer undertakes not to make any such material and documents available to third parties, either in whole or in part, without the prior written authorization of BGW or to use them for any purpose apart from the purpose for which they were handed over to Customer.

In case an authorization is granted allowing Customer to make such material and documents available to third parties, Customer shall be obliged to impose all obligations arising out of the T&C that are relevant to such material and documents upon such third party. Customer remains liable to BGW for any acts or omissions of such third party, and Customer shall hold BGW harmless from any and all claims and expenses (including reasonable attorney's fees) arising out of or related to any such acts or omissions. If no Order is placed and/or upon request of BGW, Customer must return all material and documents provided by BGW.

11.8. Any use of the Brands, the Trademarks or of any intellectual property rights of BGW or of BGW's licensors as e-mail address or domain name or on social media platforms such as Facebook, X, Instagram, TikTok etc. or any setting up of a "Riedel", "Spiegelau" or "Nachtmann" account on any social media platforms shall only be permitted upon BGW's explicit prior written approval.

GENERAL TERMS & CONDITIONS OF SALE

EFFECTIVE AS OF MARCH 01, 2025, PAGE 3/3

BAYERISCHE GLASWERKE GMBH,

ZACHARIAS-FRANK-STR. 7, 92660 NEUSTADT/WN, GERMANY

12. Retention of Title.

12.1. Products and samples supplied by BGW shall remain the property of BGW ("**Reserved Goods**") until full payment (including any interest) of all present and future claims and demands of BGW under the purchase contract and an existing business relationship (including current account balance claims). The Customer is obliged to treat the Reserved Goods with care. The Customer is obliged to store the Reserved Goods properly and to insure them at its own expense against theft, water, fire, transport and other damage.

12.2. The Customer may sell the Reserved Goods subject to retention of title in the ordinary course of business in compliance with the provisions of the T&C, provided that Customer is not in default of payment. The Customer may not encumber, pledge or transfer by way of security the Reserved Goods.

12.3. The Customer may remodel or process the Reserved Goods in the normal course of business. The remodelling or processing of the Reserved Goods shall always be carried out on behalf of BGW. If the Reserved Goods are processed together with other items that are not the property of BGW, BGW shall acquire co-ownership of the new product in the ratio of the invoice value of the Reserved Goods (invoice amount plus VAT) to the other items that are processed.

12.4. The Customer hereby assigns to BGW all claims it has against its own customers from the sale of the Reserved Goods, as well as claims relating to the Reserved Goods that arise against its own customers or third parties on other legal grounds, including any current account balance claims. BGW hereby accepts this assignment. In cases in which BGW has only acquired co-ownership of a new product pursuant to Clause 12.3, the Customer shall only assign the claim in part, namely in the ratio of the value of the Reserved Goods to the value of the new product.

12.5. The Customer may collect a claim assigned to BGW as long as BGW does not revoke this authorisation. BGW's right to collect such claims itself shall not be affected thereby; however, BGW shall neither assert nor collect the claims itself and shall not revoke the direct debit authorisation as long as the Customer duly meets its payment obligations. The Customer may also not assign any receivables in order to have them collected by means of factoring unless the Customer irrevocably obliges the factor to provide the consideration directly to BGW for as long as BGW has outstanding receivables from the Customer.

12.6. In the event of seizure of the Reserved Goods by third parties or other interventions by third parties, the Customer must draw attention to BGW's ownership and notify BGW immediately in writing so that BGW can enforce its ownership rights. If the third party is unable to reimburse BGW for the judicial or extrajudicial costs incurred by BGW in this connection, the Customer shall be liable for such costs.

12.7. In the event that the Customer acts in breach of contract, in particular in the event of default in payment, BGW may demand that the Customer informs BGW of the assigned claims and the respective debtors, notifies the respective debtors of the assignment and hands over to BGW all documents and records and provides at its own expense all information required by BGW to assert the claims.

12.8. In the event of behaviour by the Customer in breach of contract, in particular in the event of default in payment, BGW shall be entitled to take back the Reserved Goods after setting a reasonable deadline for performance. The Customer shall bear the costs incurred in taking back the Reserved Goods. If BGW takes back the Reserved Goods, this shall be deemed a cancellation of the contract. BGW has the right to dispose of the Reserved Goods. The proceeds from such disposal shall be set off against any amounts owed by the Customer to BGW after deduction of reasonable costs of such disposal.

12.9. Should the value of the assigned claims or other securities exceed the claims of BGW to be secured by more than 10 %, BGW shall have the right to dispose of the assigned claims to this extent. However, BGW is authorised to select the securities to be released.

13. Setoff and Assignment.

13.1. Customer can only set off against BGW's claims for payment of the purchase price where Customer's claim proposed for setoff has been legally established by final judgement or is undisputed.

13.2. BGW is entitled to assign its claims against Customer to a factoring company for financing purposes.

14. Data Protection and Storage, Advertising.

BGW shall store and process personal information obtained from the Customer in compliance with applicable privacy laws. Unless the Customer requests otherwise in writing (including through any opt-out mechanism provided by BGW), the Customer agrees that such personal information may be used by BGW for marketing purposes. For clarity, this right survives termination or expiry of the contract of sale.

15. Severability.

If any provision of the T&C is wholly or partially void or unenforceable, that provision shall be severed from the T&C to the extent that it is void or unenforceable and the validity of the remaining provisions shall not be affected. The Parties shall agree on a new effective provision which comes as close as possible to the economic purpose of the void or ineffective provision without delay.

16. Choice of Law and Jurisdiction.

16.1. The T&C and the contractual relations with Customer including its pre- and post-contractual phases and effects shall be governed by and shall be interpreted in accordance with **German law**, excluding its conflict of law rules, and excluding those provisions of private international law which would lead to the application of another legal system, and excluding the provisions of the UN Sales Law (CISG – United Nations Convention on Contracts for the International Sale of Goods).

16.2. **Munich, Germany**, shall have exclusive jurisdiction for any disputes arising out of the contract concluded with Customer or the T&Cs underlying the contract, including the pre- and post-contractual phases and effects. However, BGW is free to sue at Customer's registered office. Mandatory statutory provisions, in particular with regard to the exclusive place of jurisdiction, shall remain unaffected.

17. Miscellaneous.

17.1. For the purpose of the T&C, "business days" shall mean those days on which banks are open for general business in Bavaria, Germany.

17.2. A notice, consent or communication under the T&C is only effective if it is in writing, signed or on behalf of the party giving it, and if it is received in full and legible form at the address or e-mail address notified by the addressee to the other party from time to time.

17.3. No waiver of a right or remedy under the T&C is effective unless it is in writing and signed by the party granting it. It is only effective in the specific instance and for the specific purpose for which it is granted. A single partial exercise of a right or remedy under the T&C does not prevent a further exercise of that or any other right or remedy. Failure or delay to exercise a right or

remedy does not operate as a waiver or prevent further exercise of that or any other right or remedy.

17.4. A reference in the T&C to a financial year is a reference to each 12-month period commencing 1 July and ending 30 June.

17.5. Unless otherwise stated, a party may exercise any rights under the T&C in its own discretion.
